CRÉATEUR DE THÉS

Tchaba offers a rich and flavorsome experience where every detail is of the essence. Artisan creator of gourmet tea since 2006, Tchaba brings its exclusive collection of the best premium harvest teas sourced in the four corners of the globe, all of which are delicately packed in hand-made organic cotton tea bags and unparalleled wrapping.

Hand-picked tea leaves from the finest plantations from Japan to Kenya, including India, China, Taiwan, and Sri Lanka will transport you, sip by sip, on a journey of indulgence and discovery.

Within its workshops, Tchaba has imagined an array of different teas; from pure green, single-origin black, Oolong and white teas as well as sophisticated blends, with no less than 42 varieties to choose from.

Now an international powerhouse, the company continues to evolve and create the most delicious and refined teas, ice teas, and blends. As a staunch defender of the quality and authenticity of its products, Tchaba can accompany other brands and business clients through their professional activities by creating wonderful teas and fragrant blends in line with their objectives, with an assurance of transparency, a high-end service, as well as unlimited packaging and design options.

TEA SELECTION

BLACK TEA

Tchaba unveils an incomparable collection of black teas, ranging from grands crus to classics, and blends with spicy, floral or fruity notes, each from prestigious origins in the world of tea. These black teas are distinguished by their robustness and complex aromas, offering a rich diversity of flavors.

The art of creating black teas lies at the heart of our expertise. Each blend is the fruit of meticulous thought, bold experimentation, and a deep understanding of the terroirs and subtle aromas specific to each variety of black tea.

WHITE TEA

Tchaba white teas are a true celebration of purity and subtlety. Harvested in the world's most prestigious regions, these white teas stand out for their refinement and finesse. The young shoots and delicate leaves are picked with great care, preserving their freshness and natural aroma.

Tchaba's range of white teas is diverse, from grand crus to blends enhanced with rose petals, jasmine notes or hints of exquisite fruit. Tchaba excels in creating these combinations, offering a palette of exquisite flavours.

The white tea-making process is steeped in tradition and respect for nature. The leaves, barely altered, offer an infusion of exceptional clarity and smooth flavour, revealing floral and slightly sweet notes.

OOLONG TEA

Tchaba's Oolong teas are a true work of art, combining tradition and innovation to offer an unrivalled tasting experience. Grown in the world's most prestigious regions, Oolong teas are expertly harvested to capture the very essence of their terroir.

The semi-oxidation process characteristic of Oolong tea gives this infusion a rich, complex flavour, somewhere between green and black teas. Oolong teas reveal subtle aromas, oscillating between floral, fruity and woody notes, offering a tasting experience full of surprises.
