# REFINEMENT OF THE CAFFEINATED ART FOR DISCERNING CONNOISSEURS.

Marrakech Coffee Co  
embodies the pinnacle of  
exceptional coffee. Selecting  
the finest Arabica beans  
from prestigious fields, our  
range offers a diversity of  
single origin coffees, delicate  
flavored options, and refined  
blends. Each bean is  
meticulously roasted in our  
workshop, unveiling a  
symphony of notes.

Our commitment to quality  
is reflected in convenient  
packaging, preserving  
freshness through nitrogen  
injection.

Marrakech Coffee Co  
provides an exceptional  
caffeinated experience.

HONDURAS

Coffee from a small fazenda in southern Minas Gerais that cultivates only the "Amarella Bourbon" variety. Aromas of dark chocolate and delicate hazelnuts, bold with a hint of acidity.

**Ingredients:** 100% Arabica coffee from the southern region of Minas Gerais, Brazil.

From the Tarrazu region in Costa Rica, a very lively and aromatic coffee. Fully washed, it presents sweet notes and a light acidity.

**Ingredients:** 100% Arabica coffee from Tarrazu, Costa Rica.

Coffee sourced from a large number of small family producers in the northeastern region of Nariño province. The thermal variations between night and day produce a rich aroma with notes of honey and flowers.

**Ingredients:** 100% Arabica coffee from Nariño province, Colombia.

Grown on volcanic soil in the Antigua province, it is the best and most aromatic coffee in the country. Its citrus and berry fragrances combine with a delicate acidity.

**Ingredients:** 100% Arabica coffee from the Antigua province, Guatemala.

This stunning coffee comes from the Jinotega region and is of the Maragoype variety with extra-large beans. Hand-selected ripe beans reveal a balanced flavor, albeit complex.

**Ingredients:** 100% Arabica coffee from the Jinotega region, Nicaragua.

This coffee comes from the 'Cecafe' cooperative. Smooth and creamy, it has notes of ripe fruits and a mild to medium acidity.

**Ingredients:** 100% Arabica coffee from the Amazonas region, Peru.

This full-bodied and rounded coffee comes from the San Jose de Ocoa region. Fully washed, it presents a smooth aftertaste, highly appreciated for its quality.

**Ingredients:** 100% Arabica coffee from Ocoa, Dominican Republic.

A group of small producers cultivates this pleasant, smooth, and delicate coffee. Well-balanced notes of stone fruits.

**Ingredients:** 100% Arabica coffee from Marcala, Honduras.

# Pure Origine Oceania

PAPUA NEW GUINEA  
INDONÉSIE  
INDIA

It is from the famous Sigri plantation, in the highlands of the west, that this wonderful coffee comes from, with notes of cinnamon and blackberries. Creamy with a slight acidity.

**Ingredients:** 100% Arabica coffee from the Sigri plantation, Papua New Guinea.

On a high plateau with volcanic soil in northern Sumatra grow the beans of this rare coffee. Full-bodied with chocolate aromas, pleasantly sweet.

**Ingredients:** 100% Arabica coffee from northern Sumatra, Indonesia.

A balanced coffee with aromas of dark chocolate and a full-bodied texture. From the province of Karnataka with love.

**Ingredients:** 100% Arabica coffee from Karnataka, India.
